A wonderful opportunity has arisen to invest in this charming Ibiza style property situated on a spacious double south-facing plot. The plot encompasses 1,702m² and offers a delightful sea view from the second level. The property, boasting 141m² of space, was originally constructed in 1972 and maintains its authentic character. A swimming pool was added to the property in 2015. There is great potential for renovation and expansion, or even to embark on a completely new construction project. With such a generous plot size, there is ample room to build a property of approximately 500m². Conveniently located in close proximity to all the amenities of Moraira, just a short 4-minute...(Ask for More Details!)
